

# ENAMELED WATER TANK

## Whit one exchanger

- 01. Colorful steel shell | THD
- 02. Cyclopentane insulation | Environmentally Friendly
- 03. Enamelled | Coating | American Ferro brand
- 04. Anode rod | Protection from corrosion
- 05. Double coil heat exchanger | Fast heating
- 06. Temperature measuring
- 07. Cold water inlet
- 08. hot water sensor input
- 09. Cold water outlet to sensor
- 10. Hot water outlet
- 11. Electric heater double protection
